

# Certificate of Approval

This is to certify that the Management System of:

## Flexsys America L.P.

W.G. Krummrich 500 Monsanto Avenue, Sauget, IL, 62206, United States

has been approved by LRQA to the following standards:

### ISO 9001:2015

Approval number(s): ISO 9001 – 00020271

#### The scope of this approval is applicable to:

Manufacturing of Phosphorus Pentasulfide for Phosphorus Derivatives, Inc. and manufacturing of Para-phenylene diamines (Santoflex®) for Flexsys Americas L.P. The organization does not "supply" product to Phosphorus Derivatives Inc. as the raw materials and final product is under ownership of the client. The organization only provides the following resources for manufacturing of Phosphorus Derivatives products: assets (equipment), operators, process supervisor, testing when required.

**Marta Escudero**

Regional Director, United Kingdom and Americas (UKAM)
